

Model No.: XT-207
Product size(mm): 126.7*72.8*22.7
NW(G): 142
Capacity: 8500mah
Battery: Li-polymer battery
Operating temperature: 0°C-40°C
Input voltage/current: DC 5V/1000mA
Output voltage/current: DC 5.1V/1000mA(MAX)
Input interface: Micro USB
Output interface: Micro USB/iPhone connector
Case material: Plastic
Available with: Ipad, PDA, iPhone, Ipod, PSP, MP3, MP4, GPS, Smart phones, Tablet PCs
Lifetime: ≥500 times for circus using
Features:
 1. If no output, the LED light will turn off after 3 ~ 5 seconds.
 2. LED indicator light:
 Four LED on when power is 75%-100%
 Three LED on when power is 50%-75%
 Two LED on when power is 25%-50%
 One LED on when power is 10%-25%
 One LED flashes when power is 1%-10%
 3. Conversion efficiency:83%-93%
 4. Press the button to start charging
Colors: White/ Black
Key function: Suitable for charging all kind of DC 5V mobile products with Micro USB connector
Standard accessories: Gift box/USB cable

CE & RoHS certified

Model No.: XT-206
Product size(mm): 126.7*72.8*22.7
NW(G): 142
Capacity: 12000mah
Battery: Li-polymer battery
Operating temperature: 0°C-40°C
Input voltage/current: DC 5V/1000mA
Output voltage/current: DC 5.1V/1000mA(MAX)
Input interface: Micro USB
Output interface: Micro USB/iPhone connector
Case material: Plastic
Available with: Ipad, PDA, iPhone, Ipod, PSP, MP3, MP4, GPS, Smart phones, Tablet PCs
Lifetime: ≥500 times for circus using
Features:
 1. If no output, the LED display will turn off after 3 ~ 5 seconds.
 2. LED display
 3. Conversion efficiency:83%-93%
Colors: White/Black/Pink/Blue/Green
Key function: Suitable for charging all kind of DC 5V mobile products with Micro USB connector
Standard accessories: Gift box/USB cable

CE & RoHS certified

Model No.: XT-009
Product size(mm): 153.5*73.8*15.2
NW(G): 142
Capacity: 12000mah
Battery: Li-polymer battery
Operating temperature: 0°C-40°C
Input voltage/current: DC 5V/1000mA
Output voltage/current: DC 5.1V/1000mA(MAX)
Input interface: Micro USB
Output interface: Micro USB/iPhone connector
Case material: Plastic and metal frame
Available with: Ipad, PDA, iPhone, Ipod, PSP, MP3, MP4, GPS, Smart phones, Tablet PCs
Lifetime: ≥500 times for circus using
Features:
 1. If no output, the LED light will turn off after 3 ~ 5 seconds.
 2. LED indicator light:
 Four LED on when power is 75%-100%
 Three LED on when power is 50%-75%
 Two LED on when power is 25%-50%
 One LED on when power is 10%-25%
 One LED flashes when power is 1%-10%
 3. Conversion efficiency:83%-93%
Colors: Customise
Key function: Suitable for charging all kind of DC 5V mobile products with Micro USB connector
Standard accessories: Gift box/USB cable

CE & RoHS certified
